Dear Fellow Members and Guests,

August 4, 2011

The time is here once again for the MBCEA-Carolinas Fall Meeting. This is always a great time to get together with our fellow builders, erectors and suppliers at the beautiful Grandover Resort. Mark the date on your calendar and start sharing this information with your associates.

While gathering together is important it's not all fun and games in this group, we are currently focusing on the problem of - **ERECTOR CERTIFICATION**. Why is it important to have your erection crews certified in today's market? Simple, the sustainability of our industry! This will be an informative program and a chance to be on the leadership committee to develop a long term program of standards for certifying erection crews.

This is the time to reach out to fellow business associates and invite a guest. The MBCEA is committed to improve our industry and its strength is solely through membership. As we proceed into the second decade of the new millennium I challenge you to partner with myself and your fellow members to increase our participation of this valuable organization. Please contact me directly if you would like to invite a guest but can't afford to, we have limited scholarships available for this purpose.

For those of you that play golf or just like to have a good laugh, we are gathering for an informal round of golf prior to the meeting. We have tee times booked and this always proves to be a great addition to this fall meeting. The fees for golf will be paid to MBCEA. Make sure you get there early as tee times are scheduled pretty tight.

**Schedule**

- 9:00am – 1:00pm Informal Golf Outing with Members and Guests
- 3:00pm - 5:00pm Training Your Erection Crews
- 5:30pm - 6:30pm Cocktails and Social Hour
- 6:30pm - 8:00pm Dinner and Semi-Intellectual Conversation with Colleagues
- 8:00pm - 8:30pm Guest Speaker from Childress Vineyards
- 8:30pm Split the Pot Scholarship Drawing

I look forward to seeing all of you in Greensboro at the fall meeting and continuing to develop and build strong relationships within the industry of which we are all an integral part of.

Sincerely yours,

*Finton Riggins*
