Dear Supporter of the Carolinas MBCEA,

I would like to take this opportunity to thank all of you for the past support you have provided to the MBCEA on both a national level as well as our local chapter. As the President of the Carolinas Chapter I understand the stress of these commitments and appreciate your support in what has been a tough few years. I hope that I can count on your continued support during my two years as the President of the MBCEA and also hope that the organization can count on your support in the years to come. I look forward to the chance to meet with you about future opportunities and partnerships as well as ideas to continue the growth of our organization.

With your continuing support, we will be able to proceed with the work in assembling the best network on the East Coast of Manufacturers, General Contractors, Erectors and Suppliers. As many of you know that have served on this board the efforts that each member puts forth is strictly on a volunteer basis. We were recruited and charged with the mission to leave this organization better than when we joined. In 2009 our industry stepped back into one of the most devastating financial crises in my lifetime yet the MBCEA-Carolinas grew its membership by 7%. That growth can only be attributed to the hard work of an organization, its members and their commitment to our industry.

The time and effort it takes to produce quality outings for the spring and fall chapter meetings as well as our summer retreat at Hilton Head is tremendous. The board and its advisors are always trying to satisfy the current needs as well as the future needs of our membership and this industry. Whether it be through training field hands on the latest OSHA laws, or teaching project managers to develop relationships with clients it cannot be done without your support.

I would like to ask that each of you consider the sponsorship of the MBCEA-Carolinas through donations for our upcoming Fall Meeting at the Grandover Resort in Greensboro, NC. I've attached a sheet with our upcoming event and ask that you please consider supporting the Carolinas-MBCEA.

I sincerely hope that we can count on your continued support and look forward to seeing you at the upcoming Fall Meeting at the Grandover Resort in Greensboro, NC.

Sincerely yours,

Martin Harper
