September 17, 2013

Dear Fellow Members and Guests,

First, I hope everyone is doing well. The MBCEA is off to a great start this year. The beautiful Grandover Golf Resort in Greensboro, NC is the location for our fall meeting on October 23rd, 2013. Come join us to network with erectors, contractors, and manufacturers in our industry of Pre-engineered Buildings.

We will begin with an organized golf outing of which everyone should come ready to play. The afternoon group session will consist of issues within our market and information dealing with energy code and code compliance from a building standards code official. This session will be informal and open discussion will be expected. The evening dinner will also have a guest speaker that everyone can relate to. This day will be a full agenda of networking and hopefully some knowledge that you may take back to your company.

The MBCEA is always looking for new members and guests. Our organization has grown each year and this year should not be an exception. So if there are companies and individuals you feel would benefit from this organization please reach out to them. Membership is always an option, and a requirement to sustain our position in the industry. More details and membership specials will be explained during our session in Grandover. Please contact myself or Meredith if there are questions or concerns.

I hope everyone will participate in the morning Golf outing. This has always been a way of networking for myself and others. We have a set tee time booked so let us know as soon as possible if you will be participating in the golf outing.

Schedule

8:00-1:00 Informal Golf Outing with Members and Guests
3:00 -5:00 Meeting Session
5:30-6:30 Refreshments / Networking hour
6:30- 8:30 Dinner and Special Guest Speaker

I look forward to seeing each of you in Greensboro at the fall meeting and continuing to develop and build strong relationships within the industry of which we are all an integral part of.

Regards,
Martin Harper
