MBCEA Building of the Year Awards

We invite you to submit your application for this special MBCEA award that will earn national recognition for outstanding efforts in creating one of the best building systems of the year!!

It's simple to enter this year's awards program - just follow the rules, and email project information with pictures. Please remember that the better the photographic portrayal of your entries, the better the judges' chances of properly evaluating your building.

The winners will be introduced and the pictures displayed during the 45th Annual MBCEA Conference at the Hyatt Regency in Cambridge, Massachusetts on May 1-3, 2014. Award winners are asked to attend the MBCEA Conference in Cambridge to accept the prestigious award.

The Rules

1. Contractor and Erector Members of MBCEA are eligible to enter a maximum of two (2) projects. Please send a separate email for each project entry with the Project Category & Project Name in the subject line of the email.
2. Entries will be judged by an outside panel of judges based on the following criteria: Aesthetics, Unusual or Interesting Features, Quality Features, Complexity, and Green Building elements.
3. Project Categories: Aviation, Education, Innovative Thermal Barriers, Manufacturing, Recreational, Religious, Specialty, and Warehouse. A Winner of Excellence and a Winner of Merit will be given in EACH of the categories. One entry will be selected as The Building of the Year.
4. To be eligible, buildings must have been **completed after July 1, 2012**.
5. Each entry must include photographic support. **A maximum of three (3) pictures will be accepted per entry.** Please Note: Entries and pictures will be retained by MBCEA unless requested. By participating in the MBCEA Building of the Year Awards program, entrants grant MBCEA the right to use the submitted pictures to promote the metal building industry.
6. All entries must be submitted via EMAIL to MBCEA no later than February 28, 2014.
7. ***** There is no charge for entering, but each award winner must attend the 45th Annual MBCEA Conference at the Hyatt Regency in Cambridge, Massachusetts on May 1-3, 2014 to accept the award. Registration form to attend the MBCEA Conference in Cambridge must be received with the Building of the Year project entry.**
