

PIONEERS CLUB

Please submit the name of a colleague or yourself for selection to the MBCEA Pioneers Club.

The distinct purpose behind the creation of this important Pioneers Club is the association's determination to give credit and recognition to metal building contractors and erectors who have been such for **at least 25 consecutive years**.

This special application allows you to document the history of the people you submit for Pioneers Club membership. The more detailed biographical data you provide us, the better. Any photographs, newspaper or trade paper clippings, letters, awards, citations, or other supporting material will be appreciated.

Accepted applications will become a permanent part of the history of our industry. The celebrated people who are selected as members of the Pioneers Club will be asked to attend the **45th Annual MBCEA Conference at the Hyatt Regency in Cambridge, Massachusetts on May 1-3, 2014** to accept the prestigious award.
