carolinas@mbcea.org

Dear members & friends,

The MBCEA-Carolinas in partnership with Guardian Building Products has arranged an opportunity for an Insulation training class before our Spring Scholarship Scramble golf outing and BBQ taking place on **March 27th, 2014** at the Ballantyne Hotel in Charlotte, NC. We will be learning more about installing the Energy Saver system by Guardian Building Products. Class will start promptly at 9:00am. Please be a few minutes early so that we can obtain your contact information.

The MBCEA-Carolinas is offering this valuable training at no cost to you. We must have registration forms returned in order to have enough materials available for the class. Please email your registration forms to Meredith Miller (carolinas@mbcea.org) by end of day March 20th, 2014. We hope you can attend this important training session.

I look forward to seeing all of you at Ballantyne in Charlotte and continuing to develop and build strong relationships within the industry of which we are all a part of.

Sincerely yours,

Martin Harper

Martin Harper
President MBCEA-Carolinas Chapter
