Calling all Contractors & Erectors in the Mid-West

Are you a Steel Building Erector looking to upgrade your men and get more work?

Are you a General Contractor that needs to UNDERSTAND the pre-engineered building to cost your project more efficiently?

Are you a Building Manufacturer seeking qualified Building Erectors?

Are you a Building salesperson unfamiliar with erection costs?

Are you a Supplier of Building Products willing to expand your customer base?

Are you a current member of MBCEA that has lost interest???

Did you know that the MBCEA

- was starting a local Mid-west Chapter?
- Offers inexpensive and sometimes free training seminars on a regular basis?
- Believes in the safety and education of all our members?
- Championed the MBI in having our trade recognized by the Federal Government?
- Helps you upgrade and certify your work force?
- Keeps you up to date with the ever changing developments in the metal building industry?
- Offers a mentoring program?
- Maintains an on-line membership directory?
- Has available Employee Safety Handbooks and Tool Box Talks Sheets?
- Will help you bring the passion and excitement back into your business?

MBCEA
Membership
Drive

Calling all New Members:

If you ever thought about joining - now is the time to do it. Limited time offer September 1 through December 31, 2013 - pay nothing for 2013, and take 50% off the cost of membership for 2014!

Contact [Sasha](#) or visit the [website](#) for details.

Please plan on attending an informational meeting on October 4, 2013 at the Best Western Premier K, which is adjacent to the Kansas Speedway, in Kansas City. This is a race weekend, so potentially you will be in Kansas City at the same time. A couple of folks have already signed on - Andy Huber, A.L. Huber, Inc. in Kansas City, Steve Butler with Dynamic Fastener in Kansas City, Kelly Burk of Burk Erectors in Springfield, MO, Kelly Burk, Jr. also with Burk Erectors in Springfield, MO, Bill Johnson with Evans Building in Wichita, KS and Sandy Fowler of GF General Contractors in St. Louis have been actively working to get this Chapter started. Please join them October 4. It's the perfect opportunity to visit with other members of your industry and build some excitement and momentum behind a Midwest chapter.

Email midwest@mbcea.org and let us know you are interested or plan to attend!

Not in the Midwest but want to get involved? Similar plans are underway or already started all over the country: Click the region below and send an email with your name and contact information:

Metal Roof Maintenance

A member would like to open a discussion on metal roof maintenance. Does anyone in the organization have a yearly maintenance form for metal roofs? Is anyone actively pursuing this line of business? How are you marketing? How are you dealing with liability?

Interested in joining the discussion? Email Gary Smith at gtsmith@thomasphoenixintl.com and he will add you to a discussion forum.

METALCON
INTERNATIONAL

Going to MetalCon? The MBCEA has a limited number of FREE exhibit hall admission passes. Contact Sasha (hit reply to this email) if you are interested. You must be a MBCEA member in good standing to take advantage of this \$60 offer.

Save the date for Boston
45th Annual MBCEA Conference
May 22-24, 2014

Tim Clark of Zartman Construction and Tim Seyler of S&S Structures announced today that a site has been chosen for the MBCEA's 45th Annual Conference. It will be held on May 22-24, 2014, at the Hyatt Regency Cambridge, overlooking Boston, Massachusetts. The annual conference has industry exhibitors, information packed workshops and a contractor / erector roundtable session. Building of the Year awards are presented during the awards banquet to top notch metal building contractors from all over the nation. The MBCEA conference is the premier event for the engineered metal building industry's suppliers, contractors and erectors.

The Metal Building Contractors and Erectors Association (MBCEA) supports the professional advancement of Metal Building contractors, erectors and industry. The 45th Annual MBCEA Conference is the only conference dedicated to the Engineered Metal Building industry. Participants will be able to register for this event at www.mbcea.org at the beginning of the new year or call MBCEA Executive Director, Sasha Graver at 484-239-3337 for more information.

About the MBCEA

The Metal Building Contractors & Erectors Association (MBCEA) is a trade association organized in 1968 to provide programs and services to the contractor and erector segments of the metal building industry. The association proudly boasts membership from virtually every aspect of the industry. The MBCEA is a membership-driven

association, promoting the professionalism of its contractor and erector members. The association relies on the input and feedback of its members to create and deliver programs of real value.

Got something on your mind, we want to hear from you.

The website is updated regularly.
Consider making it your home page!
