

The Metal Building Contractors & Erectors Association
of the Carolinas would like to encourage your
participation in our
**Tour and AIA/CE Class Research Center
(Richburg, SC)
2015 Spring Scholarship Scramble
(Ballantyne, Charlotte, NC)**

Dear Fellow MBCEA Members and Guests,

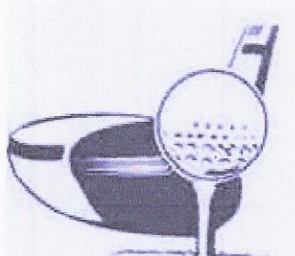

On **March 19th 2015** The MBCEA-Carolinas will sponsor a full day of events, starting early morning with a tour of the **Insurance Institute for Business & Home Safety (Research Center in Richburg, SC)**. This facility conducts research for the Pre-Engineered Building industry which has the ability to completely engulf a full scale 1,200 sqft to 2,400 sqft building in various types of realistic "Storms" allowing holistic testing of building systems in ways that have never been possible before. Mid-morning **Metal Roofing Systems** will conduct an AIA/CES class pertaining to the History of Metal Roofing Systems, Design Versatility, Life Cycles, how to Evaluate and Specify metal roofing systems, and various types of Warranties available. This meeting will allow credit towards AIA/ CES credited hours and will also be informative for those in the pre-engineered industry. The afternoon MBCEA will host the **MBCEA Scholarship Golf Tournament** at the **Ballantyne Golf Club – Charlotte, North Carolina**. The Golf will be followed by an outdoor barbeque and social time sponsored by some of our most loyal supporters.

Please make plans to attend and make sure you return your registrations ASAP. Returning this form quickly allows us preparation time for the tour, group meeting, and to formulate the teams for the afternoon golf outing. This will be a shotgun start and we anticipate the golf to fill up fast. Even if you are not a golfer make plans to attend the **Barbeque at 5:00pm** for a chance to fellowship and network with your fellow contractors, erectors, manufacturers and suppliers.

The registration form is attached on next page. This is an open event to MBCEA Members, possible members and guests and I encourage everyone to attend. Let's make this outing a memorable one, see you at the Research Center and Ballantyne Golf Club.

Sincerely Yours,
Martin Harper
President MBCEA – Carolinas
