September 25, 2015

Dear Fellow Members and Guests,

I know everyone is busy, but I hope you can make plans to attend our fall golf tournament. We have been working hard to make sure we have an enjoyable and educational event. We are planning an informal presentation from a couple of the NC House of Representatives regarding solar energy legislation.

We have been fortunate to schedule the event at Cowans Ford Country Club located at 761 Club Drive Stanley, NC 28164. The date will be Thursday October 22, 2015. This is a top-notch course and is usually in very good shape in October. They have recently aerated their greens, so they should be fast and true by October 22. Come join us to network with erectors, contractors, and manufacturers in our industry of Pre-Engineered Metal Buildings.

The MBCEA Carolinas Chapter is always looking for new members and guests. Our organization has grown each year and this year should not be an exception. So if there are companies and individuals you feel would benefit from this organization please reach out to them. Membership is always an option, and a requirement to sustain our position in the industry. More details and membership specials will be explained during our sessions. Please contact myself or Meredith Miller if there are questions or concerns.

Schedule

10:00am Board of Directors Meeting
11:00am Presentation by Representatives
Jason Saine (Lincoln County) and John Bradford (Mecklenburg)
12:00 Lunch
12:45pm Golf
5:30-7:00pm Social and Awards

Please plan to attend, and bring your customers (and good golfers). The golf competition is getting better, so come prepared. I look forward to seeing you all there.

Sincerely,
Wade Wilson
